Action: J. Allsop

b) Playground equipment

Mrs. Davies has submitted an application to EHDC for a grant of £6,250, which is equal to the amount already raised.

Mr. Poulton said that he would be attending an EHDC meeting on the 13th September during which our application will be decided. However, because he has a pecuniary interest in the application he would be asked to leave the meeting when the subject is discussed.

Mr. Poulton said that Mrs. Davies (as well as all other Parish Councillors) was welcome to attend the meeting.

This item to remain on the agenda.

Agenda: 10/01

c) Summer Play Scheme 2001

Mr. Meischke said that although the Summer Play Scheme was fraught with problems, they were not due to the organisers of the scheme. He therefore proposed that the EHDC deposit of £100 be returned and a letter of thanks be sent for running the 2001 Summer Play Scheme at the Community Hall, which Parish Councillors agreed was a great success and enjoyed by a lot of village children. Also, that we are sorry for all the problems that occurred whilst the Play Scheme was running and realise that this was no fault of the leaders.

The Clerk to act accordingly.

Action: J. Allsop

Mr. Poulton then read out the following letter, which he proposed be sent to the Chief Superintendent.

'The Parish Council, following it's meeting last night wishes to make a formal complaint against the lack of policing in the village which has resulted in an increase in crime.

Examples of the problems, which have occurred in the village over the last few weeks, are as follows:

- Cricket table set alight.
- Roller on sportsfield pushed through the Multi Purpose Play Area fence.
- Stables set alight.
- Windows broken in the Community Hall.
- Apples and stones thrown at old age pensioners resulting in a window being broken.
- Car driven around Borlase bean field & overturned – driver/owner identified to Police
- Burning trees, fences and tyres on Watton Green.
- Rope tied around play equipment and stretched across main road.
- Leader of EHDC Play Scheme threatened resulting in the Play Scheme closing.
- Cars daubed with mud on car park.

- Community Hall covered in graffiti.
- Youth screaming on the sportsfield until 1 am and 2 am.
- Youths walking between the Wagon and Horses and Bull Public House causing a noise nuisance, throwing bottles, fighting and being a general nuisance to local residents.
- Weed killers sprayed on allotments and cabbages uprooted.

Names of some of the perpetrators have been handed to the Police but they still appear to strut around the village as though they are immune to prosecution.

At a meeting in July with PC Ivens and Inspector Shirley Godman our Chairman Nigel Poulton informed the officers that problems could arise during the Play Scheme. Extra Policing was promised by your officers but none were seen.

The Council frequently attends Police meetings where we are told that Hertfordshire has the lowest crime rate, but residents of Watton-at-Stone do not see it that way.

In order to allay further fears of our residents would you please indicate how many of the crimes reported over the last six weeks were investigated by your officers and what was the outcome? Would you also assure us that you are doing all in your power to stop these crimes and that more of your officers, perhaps supplemented by Special Constables, will be available for the rural areas.'

Mr. Filer said that only six police officers cover the whole of the East Herts Hertford Area, which in reality is reduced to an average of four because of holiday leave and sickness. He said that even if the letter is sent we do not stand a hope in hell of getting better police cover because the manpower just is not there.

Mr. Stock seconded the motion and all present were in favour. Copies of the letter to be sent to Mr. O. Heald (MP), Mr. B. Hammond (County Councillor) and Mr. D. Filer (Parish Councillor representative for the Police Authority).

The Clerk to act accordingly.

Action: J. Allsop

Note: Subsequently, on the advice of Hertford Police Station, the above letter was addressed and sent to Superintendent Terry Cox at the Stevenage Police Station, who the Clerk was informed, is currently the most senior officer in charge of our area.

Community Hall Trustees

- **MPPA**

The problem with the slippery surface of the MPPA has now been resolved.

- **Additional Play equipment**

Refer to item 3 b, Specific Items - Playground equipment (on page 3 of these minutes).

Comment [C1]:

- **Vandalism**

The Community Hall, MPPA and sportsfield have been subjected to numerous acts of vandalism throughout the school summer holidays. These included extensive damage to windows (requiring seven to be replaced) and graffiti on the walls, setting light to the cricket pitch and pushing the large grass-roller down the slope into the MPPA causing damage to the kicker boards and fence supports. In addition, there was also vandalism in other areas of the village such as Watton Green.

The Community Hall Trustees recommendation to send a strong letter of complaint to the Chief Superintendent of the Hertfordshire Police Authority was agreed by the Parish Council under item 3 c, Specific Items - Summer Play Scheme 2001 (on pages 3 and 4 of these minutes).

- **Register check and annual return for year ended 31st March 2001 for Charity Commission**

Mr. Poulton proposed that the completed annual return forms, which have been checked by the Trustees be returned to the Charity Commission as requested. Mr. Filer seconded the motion and all present were in favour. **Action: J. Allsop**

- **Security**

Options for improving security at the Community Hall were discussed by the Trustees. It was agreed to invite the Crime Prevention Officer at Hertford Police Station to attend the next meeting of the Community Hall Trustees on 11th December 2001. **Action: N. Poulton/J. Allsop**

- **Main Hall flooring**

Following the Parish Council meeting in July, Mr. Stock and Mr. Meischke inspected the playing surface in the Main Hall. Subsequently, Mr. Meischke spoke to Christine Bewley (the Cleaner) and agreed a course of action. Mr. Stock reported that although the condition of the flooring improved for a time, the problem is reoccurring. Mr. Meischke felt that the soft carpet-type brush that Mrs. Bewley is using to sweep the floor is acting as a polisher.

Mr. Meischke to speak with Mrs Bewley about the flooring and ask her to identify any cleaning tools or materials that she requires. **Action: J. Meischke**

- **Community Hall and sportsfield sign in High Street**

Mr. Meischke brought to the Trustees' attention that the new sign in the High Street pointing to the Community Hall is one-sided only and has been badly sited and is not very visible from the road. Mr. Poulton agreed to speak to Ron Jack (EH Highways Partnership) requesting that a new double-sided sign be ordered and sited with the existing toilet sign in the High Street. **Action: N. Poulton**

- **Seats on sportsfield**

The seat recently installed by Mrs. Freeman, which is being donated to the Parish Council (refer to item 6 n, Debra Freeman – seat on sportsfield, on page 10 of these minutes), requires additional brackets to secure it to the ground.

It was agreed to fit the additional brackets as required. **Action: N. Poulton/J. Meischke**

Recreation & Amenities

Mr. Meischke reported on the following items concerning the Recreation & Amenities Sub-Committee.

- **Allotments – strimming of allotments not in use**

This item was discussed under 2 b, Review of Actions - Contact Jeff Skidmore re strimming of the un-worked allotments (on page 1 of these minutes).

- **Compost bins for allotments**

One of the best ways to get rid of rubbish on the allotments is to burn it. Mr. Poulton said that there is no formal agreement between the allotment holders and the Parish Council, and provided common sense is used, allotment holders could have bonfires on their allotment. This was agreed by all.

- **Weed-killer on allotments**

One of the allotment holders left a spray container of weed killer on their allotment. Vandals then used the spray on several allotments, causing damage to crops. Allotment holders must not leave equipment on-site that could then be used to cause damage to that or other allotments.

- **Manhole cover in sportsfield**

Mr. Poulton said that whilst writing to Thames Water concerning the concrete fixture/cables on the Lammas he asked them to inspect two manhole covers on the sportsfield. These are badly corroded and likely to collapse in the near future.

This item to remain on the agenda under Recreation & Amenities Sub-Committee until the matter has been resolved. **Agenda: R & A**

Environment

Mr. Stock reported on the following items concerning the Environment Sub-Committee.

- **Watton Green**

- **Vandalism**

Watton Green has been subjected to vandalism over the school summer holidays. This included tyres been burnt (causing substantial damage to the grassland and some trees), branches ripped from trees, the access fence/gate to Watton Green torn down and burnt. These incidents have been reported to the Police.

Mr. Stock said that he contacted various Parish Councillors to get agreement for the fence/gate to be repaired by Michael Stanley at a price of £50.

- **Byelaws**

Mr. Stock said that it had been suggested to Mr. Filer, during a discussion with a police officer, that a byelaw prohibiting fires on Watton Green would help them to prosecute offenders. Mr. Stock therefore proposed that we introduce such a byelaw for Watton Green and also for the Lammas.

Parish Councillors discussed the matter and some felt that extended byelaws (e.g. similar to those for the sportsfield) should be applied to Watton Green and the Lammas.

It was agreed that the Clerk obtain information on byelaws and the matter be discussed again at the Parish Council meeting on 3rd October.

The Clerk to act accordingly.

Action: J. Allsop

This item to remain on the agenda, under Environment Sub-Committee, until the matter has been resolved.

Agenda: Env.

- **Lammas**

Mr. Dunhill reported on the following items concerning the Lammas.

- **Concrete fixture/cables on the Lammas**

Mr. Poulton said that Thames Water wrote on 13th August informing us that their engineer (Nigel Fuller) had attempted to contact him by telephone, without success. They asked to be provided with further details, including a map of the exact location of the concrete bollard.

Mr. Poulton said that he had written to Thames Water on 3rd September enclosing a map showing where the concrete bollard is situated.

- **Replacement hedging**

Mr. Dunhill said that now autumn is approaching, the additional shrubs required to replace the 2 to 3 metres of hedging that has died need purchasing and planting. He agreed to contact Tony Bradford to arrange for the purchase of the plants and will then organise a planting date.

Action: V. Dunhill

Michael Stanley who cut the Lammas grass in July has still not been removed the cuttings and deposited them on site in the agreed area.

It was agreed to write to Mr. Stanley stating that, as he is aware, the management of the Lammas grass-cutting is set out under a MAFF Stewardship Scheme, which requires us to remove all grass cuttings; with a special dispensation that they be deposited on-site in an agreed area. Because the Lammas is due to be inspected by the Stewardship Scheme in the very near future, we ask him to remove the cuttings as soon as possible.

Action: V. Dunhill/J. Allsop

Tree planting on Lammas to be placed on the October agenda, under Environment Sub-Committee.

Action: N. Poulton

- **Great Innings Play Area**

Mr. Poulton said that EHDC had written (letter dated 31st July) in response to our letter concerning the Great Innings Play Area, to inform us that Trevor Waldoock would be making a site inspection of the area and would organise the appropriate repairs.

It was agreed to write again to EHDC informing them that there is still graffiti on the new equipment. Also, that there is still a problem with the safety-surface tiles for the slide, which Parish Councillors believe is due to a design or installation fault and not vandalism.

Action: J. Allsop

- **Glebe Court hedge**

It was agreed to write again to Stort Valley Housing Association asking them to cut-back the hedge as a matter of urgency.

Action: J. Allsop

- **Football goal-mouths on sportsfield**

It was agreed to write a letter to the Sports & Social Club reminding them of their responsibility and asking them to ensure that this does not happen again.

5 Planning

a) Applications

i) 11 Glebe Close

Two storey rear extension

Mr. Stock said that he had visited the residents of one of the neighbouring properties. Although visiting the other neighbouring property three times he was unable to speak to anyone. Because no objections were raised and the application was in keeping with similar improvements to one of the adjacent properties, Mr. Stock had instructed the Clerk to write to the Planning Department stating that the Parish Council had no comment on this application.

Parish Councillors agreed with the decision.

ii) Amenity Land, Motts Close

Change of use of amenity land to private gardens

Mrs. Davies signed the member's interest book, as a resident of Motts Close, and then left the meeting. Parish Councillors viewed the plans for this application. Mr. Poulton said that this change of use does not affect anyone other than the residents of Motts Close and the land in question is not accessible to members of the public.

It was agreed to write to EHDC informing them that the Parish Council has no comment on this application.

Action: J. Allsop

Mr. Davies returned to the meeting.

iii) Watton-at-Stone Memorial Hall, 118 High Street

Minor infill to produce new storeroom

Parish Councillors viewed the plans for this application.

Mr. Stock proposed that because of the problems necessitating this infill we should write stating our support for the application. Mr. Meischke seconded the motion and all present were in favour.

The Clerk to act accordingly.

Action: J. Allsop

6 Correspondence received

a) The Church of England – Deed of Waiver re sportsfield

The Parish Council wrote to the Church of England Legal Office advising them of the error in the map attached to the Deed of Waiver and asked them to amend it.

Mr. Stock said that another version was then submitted to the Parish Council, which still did not identify the land correctly.

Mr. Dunhill said that the map would be better defined if the boundary of the sportsfield was marked in yellow and the deed amended to refer to it accordingly.

Parish Councillors unanimously agreed that they were satisfied with the draft deed of waiver provided that the sportsfield is marked as suggested by Mr. Dunhill.

The Clerk to act accordingly.

Action: J. Allsop

b) RoSPA Playground inspection

EHDC has written to advise us that RoSPA will be carrying out its annual inspection of the play equipment at the sportsfield on one of the following dates.

Once again, I thank the Parish Council for agreeing to the seat being sited at a location much loved by my grandparents.’

Mr. Poulton proposed that a letter of thanks be sent to Debra Freeman. Mr. Stock seconded the motion and all present were in favour.

‘I am writing to inform you that the Tennis Club intends to run some Tennis Camps between Wednesday 8th August and Thursday 16th August on the Multi-purpose play area.’

Mr. Knight was asked if the Tennis Club charged for the Tennis Camps. Mr. Knight confirmed that they did and that they pay Mr. Vosper to act as the Tennis Club coach.

Public money is used to provide and maintain the MPPA as a free-of-charge facility for the village. Parish Councillors discussed the issue of this public facility being used for personal financial gain. It was agreed that this was wrong and that individuals charging for coaching during public open-times (not Sports & Social Club agreed usage times) should pay for the use to the MPPA facilities.

This item to be discussed at the next meeting of the Community Hall Trustees.

Agenda: CH

• **Watton-at-Stone Conservation Society**

Mr. Stock reported that, for personal reasons, Mr. and Mrs. Gilbey (currently Chairman and Secretary) no longer wish to continue as members of the Conservation Society. Mr. Stock said that Mr. Gilbey is to arrange for an extraordinary general meeting of the Society (date to be established) to discuss its future. Mr. Gilbey has already asked Mr. Stock if the Parish Council would, in event that Conservation Society ceases to exist, hold its funds. Mr. Stock said that he was sure that the Parish Council would be prepared to hold the funds in the hope that the Conservation Society would be re-established at some time in the future. This was agreed by Parish Councillors. Mr. Stock to notify the Conservation Society accordingly.

9 Chairman's / Clerk's Report

Mr. Poulton reported on the following items.

- **Watton Post Office**

Mr. Poulton said that Watton Post Office is planning to move from its current site at 130 High Street to Mr. Summan's property at 121 High Street.

Bob Thurlow has asked if the Parish Council would write in support of his application to move the post office.

After lengthy discussion, it was agreed that the Parish Council would support the application for the following reasons.

- More central location, which would encourage the existing commercial activities adjacent to this site.
- Better customer access.
- More suitable premises to allow future development of post office activities (e.g. internet access, cash-point).

The Clerk to act accordingly.
