**6 Planning**

**a) Applications**

**i) Blue Hill Farm**

Conversion of farm buildings to form 4 residential units (variation to planning permission 3/02/2405/FP)  
Mr. Knight inspected the plans for this application and notified the neighbours affected.  
He said that because planning permission had already been granted for 4 residential units and the exterior size and position of the units had not changed, he instructed the Clerk to write to the Planning Department stating that the Parish Council had no comment on this application.  
Parish Councillors looked at the plans and agreed with the decision.

**b) Decisions**

**i) Broom Hall Farm**

Change of used agricultural to Class B8 storage and distribution Units -EHC permission granted

**ii) Watton-at-Stone Playgroup, School Lane**

Renewal of outline permission for residential development -EHC permission granted

**7 Specific items**

**a) Youth Club**

Mr. Poulton said that he attended the "Stevenage Funding Information Day" on 17th June and felt that it was largely a waste of time. The funding available is for local authority grant-aid for Stevenage Borough Council, North Herts District Council, HCC and North Herts and Stevenage PCT and does not cover villages like Watton-at-Stone.

It was agreed that the Parish Council will put this item on hold until such time as funding can be found.

This item to be removed from the Parish Council agenda.

**b) Lammas Road street lighting**

Mr. Poulton said that we had heard nothing further on this item from Hertfordshire Highways since the 4<sup>th</sup> May, when Val Weaver informed us that an instruction had gone to the street-lighting engineer to inspect Lammas Road re the statutory requirements regarding street lighting.

This item to remain on the agenda.

**Agenda: 09/05**

**c) Awarding of the Good Citizenship trophy and the Cup for Outstanding Effort**

The Parish Council trophies were awarded to Damon Pook and Joanna Wood during the Community Hall service on Sunday 3<sup>rd</sup> July. Mr. Poulton said that approximately 150 people attended the service.

**d) Strimming Conservation Area on the Allotments**

Mr. Poulton and Mr. Meischke attended the Allotment and Garden Association's AGM on 14<sup>th</sup> June, which was directly followed by a regular meeting of the Allotment and Garden Association.

The Allotment and Garden Association had obtained the following quotation from Mr. Presland to cut the uncultivated area of the allotments.

**‘Ref. Watton Allotments**

To cut down nettles with tractor topper and strim perimeter of rabbit fenced area

Total +VAT £70

This work to be done twice in the 2005 season.’

After discussion, it was agreed to write to John Love accepting the quotation and asking that Mr. Presland invoice the Parish Council direct so that the VAT element can be claimed back.

**Action: J. Allsop**

**e) Request from Hertford Police for Parish Councillors to come out on patrol**

Mr. Poulton said that following a request from Hertford Police for Parish Councillors to join them out on their patrol, he went out with Andy Woodwood today.

Mr. Poulton said that the areas they visited included Aston, Tewin and Little Berkhamstead. One incident involved a police chase across a cornfield at 40 mph. Mr. Poulton said that he would highly recommend any Parish Councillor to go out on patrol and asked interested parties to contact him directly, however he could not promise that they would experience such an exciting time as he had today.

**f) Police meeting on 14<sup>th</sup> July to discuss locality policing**

Mr. Filer has agreed to attend the locality policing meeting on 14<sup>th</sup> June and will report back to the Parish Council during its meeting on 14<sup>th</sup> September 2005.

**Action: D. Filer**

**g) Risk Assessments**

All Parish Councillors were given the following list of Risk Assessment checks.

**Monthly checks by a Parish Councillor**

- Sportsfield equipment
- Sportsfield for litter and dog fouling
- Allotment site
- Dog bins
- Great Innings play area
- Mill Lane culvert
- Salt bins

**Six-Monthly Checks by two Parish Councillors**

- Sportsfield equipment
- Multi Purpose Play Area
- Community Hall including first-aid box

**Yearly Checks by qualified professionals**

- ROSPA check on play equipment owned by the Parish Council
- Fire equipment check in Community Hall
- Electricity check in Community Hall
- Gas and boiler check in Community Hall

All checks reported and minuted at the relevant Parish Council Meetings

Mrs. McCash said that the War Memorial and Ornate Village Sign were missing from the above list.

Mr. Poulton asked Parish Councillors to give any other missed items to the Clerk so she can update the list.

**Action: Parish Councillors/J. Allsop**

It was agreed that a copy of the Risk Assessment checks be placed in the Parish Council folder.

**Action: J. Allsop**

**8 Reports**

**a) Sub-Committees**

**Budget & Finance**

In the absence of Mr. Filer, Mr. Poulton reported on the following items concerning the Budget & Finance Sub-Committee.

• **Bank accounts**

The Clerk said that the problems with the names on the new Alliance and Leicester bank accounts has finally been resolved.

• **Quarterly statement of accounts for the Parish Council and Community Hall**

Mr. Poulton said that this will be presented to the Parish Council by Mr. Filer during its September meeting.

## Community Hall Trustees

Mr. Poulton reported on the following items concerning the Community Hall Trustees.

- **Report and minutes of meeting held on 5<sup>th</sup> July 2005**

All Parish Councillors were given a copy of the minutes of the Trustees meeting held on 5<sup>th</sup> July 2005.

- **Broken windows**

It was agreed that the damaged glass-panes would not be replaced until after the end of the Summer Play Scheme. The Clerk has ordered waterproofing glass-tape to protect the areas already damaged

- **Long-term maintenance issues**

Mr. Poulton is to obtain cost estimates for the long-term maintenance issues identified to date for the MPPA, Community Hall and sportsfield. **Action: N. Poulton**

Other long-term maintenance issues identified are to review the welfare safety of trees on the sportsfield, the Lammas and on Watton Green and the maintenance of seats throughout the village.

- **Best service-providers for Gas and Electricity**

Mr. Poulton to obtain the best service-providers for Gas and Electricity. **Action: N. Poulton**

- **Cricket Club Notice**

The Cricket Club has displayed the following notice in the Community Hall changing rooms.

**‘NOTICE**

The use of mobile phones and digital cameras is forbidden in this area

By order of the Club Committee’

The notices are required as part of the child protection act. The Parish Council agreed that because of this the notices should remain.

- **Photocopy machine**

The Clerk took a meter reading and noted that over 2000 copies had been made during the last six months. She uses the machine very little herself and could only account for approximately 500 copies during this period. After discussion, it was agreed that the Parish Council removes the power cable from the machine and re-attaches it as required. The Clerk will also take meter readings on a monthly basis so as to identify any un-authorised use of the machine.

## Recreation & Amenities

Mr. Knight reported on the following items concerning the Recreation & Amenities Sub-Committee.

- **MPPA – general**

- **Pressure-wash and moss-kill**

Mr. Knight said that the Tennis Club players are very pleased with the excellent job that IRS did with the pressure-wash and moss-kill on the MPPA.

- **Additional tennis court**

Mr. Knight said that he had written to the St. Albans Diocesan Board to ask for permission to change the position of the new tennis court. He spoke to Tim Haggard (planning department at EHC) today and will soon be completing the relevant forms to submit a planning application to EHC.

## Environment

Mrs. Dinnin reported on the following items concerning the Environment Sub-Committee.

- **Lammas weed-wipe update**

Mrs. Dinnin said that she contacted Sue Clarkson about the weed-wipe and she agreed that the work could be done. However, because of the time of year Mr. Cannon was instructed to patch weed-kill and not weed-wipe the affected area.

- **Tree across footpath**

Mrs. Dinnin instructed Adam Welch to remove a small tree that had fallen across the footpath.

- **Hogweed**

Mrs. McCash showed Parish Councillors an article that she had noticed in the July 1<sup>st</sup> edition of the Hertfordshire Mercury. The article states that giant hogweed contains a chemical that makes the skin sensitive to ultraviolet light, which can then result in burns. The article also states that under the Wildlife and Countryside Act 1981, it is an offence to plant or cause giant hogweed to grow in the wild. It is classed as a controlled waste and must be disposed of in a licensed, lined landfill site.

Currently there are two small patches of hogweed on the Lammas.

Mrs. Dinnin to contact both Mr. Smith and Sue Clarkson to find out how we should get rid of any giant hogweed. **Action: C. Dinnin**

**b) Sportsfield**

**i) Report**

Mr. Stock did the sportsfield report on the 4<sup>th</sup> July 2005, the result of which is as follows.

• **Sportsfield:**

Mr. Poulton said that there are several allotment-tenants that are not working their plots. He said that he is still waiting for the Allotment and Garden Association to ask him to come and visit the site.
- ii) **Weekly report and action**  
Mr. Poulton said there was nothing to report from Ted Brown’s weekly inspections.

## 9 Correspondence received

### a) Malcolm Amey, EHC re Oak tree on sportsfield

Malcolm Amey (Arboricultural Officer, EHC) wrote on 15<sup>th</sup> June acknowledging our request for permission to remove the branch of the Oak tree overhanging the MPPA.

The Clerk to chase EHC for their decision.

**Action: J. Allsop**

### b) Hertfordshire Highways–Temporary closure of Whempstead Road, Watton-at-Stone

Hertfordshire Highways wrote on 13<sup>th</sup> June informing us that the Whempstead Road will be closed for up to 5 days sometime during the period 15<sup>th</sup> – 22nd July, when signs are in place.

**c) Letter from EHC – new litterbin policy**

Sara Mellor (Assistant Waste Service Manager, EHC) wrote on 10th June as follows.

‘We are proposing to make some changes to our litterbin policy to improve the standard of this service. The aim is to standardise the type of litterbins installed across the district and to co-ordinate their positioning. This letter sets out the main changes that we are proposing:

1. We will take responsibility for replacing any damaged or unsuitable litterbins on the public highway (which are in public ownership) and on East Herts Council land.
2. As bins are replaced there will be an opportunity to decide if the bin is positioned in the best place.
3. We will also be responsible for the purchase and installation of any new bins on the public highway.
4. All bins will be numbered and plotted on our computerised mapping system (Mayrise) so they can easily identified.
5. All new bins will be a standard style and colour, with ground and post mounted options.
6. We welcome proposals for new locations for bins, but these will be subject to our approval.
7. We will fund the emptying of all approved bins on the public highway.

I hope you agree that these changes should improve the operation of this service, ensuring that bins are of the right size, in the right location and are all included in our emptying programmed. Using a standard type of bin should also enhance the visual appearance of the street scene.

I will be approaching each Town and Parish Council separately over the coming months so we can consult on this new policy. In the meantime, if you are aware of any bins that need replacing urgently please let me know as soon as possible.

Also, if you haven’t already supplied this, please can you send me a list and map of all the litterbins in your area, making it clear who empties the bins. In some of the rural areas this will be the parish litterpicker. If possible, a photo of each bin would be very helpful.

Please contact me with any queries. I look forward to working with you.’

Mr. Clark said that there is a lot of litter on the Whempstead verges. Mr. Poulton said that Whempstead and the rural areas of Watton-at-Stone are not covered by litterpicking.

Sara Mellor wrote again on 16th June enclosing maps of the Watton-at-Stone area and asking the Parish Council to highlight, in colour, the roads that are litterpicked on a regular basis.

After discussion, it was agreed to respond to EHC as follows.

‘Watton at Stone Parish Council thanks you for your letter dated 10<sup>th</sup> June re East Herts District Council’s new litterbin policy.

Parish councillors discussed your proposals at their meeting and welcomed the main changes.

As requested I have pleasure in enclosing a map of Watton at Stone with the litterbins earmarked.

All the bins except one are Glasdon lockable liner trim line in black, wall and post mounted. See attached photocopy from their catalogue.

The exception is at the junction by the War Memorial at the southern end of the village and that bin is a green round Wybone bin.

The Council is not aware of any bins that need replacing urgently.

Please find enclosed a map highlighting the litterpicking areas in Watton-at-Stone. This was sent to us by Emma Tuesday.

The Parish Council, at its meeting held on 6<sup>th</sup> July, expressed concern about the amount of litter on the roadside in the areas of the parish that are not covered by litterpicking. They would like to see these areas cleared of litter on a regular basis. This includes Whempstead, which as you know is part of the parish of Watton-at-Stone.

I look forward to hearing from you in due course.’

The Clerk to write accordingly.

**Action: J. Allsop**

**d) Letter from EHC – Litterpicking 2005/06**

This item was discussed under item 9 c, Correspondence received - Letter from EHC – new litterbin policy (see above).

**e) Email from Sara Mellor, EHC – glass collection**

Mr. Poulton said that we received an email from Sara Mellor on 28<sup>th</sup> June informing us that, as from August 2005, a new glass collection service will be introduced Watton-at-Stone. Other areas to be covered by this service are Buntingford, Standon, Puckeridge and Hertford Heath. Properties on the A119 in Stapleford and Waterford, who are part of the existing paper collection route, will also be included.

The glass collection will be made once every fortnight on a Friday, at the same time as the paper collection.

**f) Email from Lesley Crace re footpath stiles in the parish**

Mr. Poulton said that Lesley Crace emailed him on 22<sup>nd</sup> June as follows.

‘It was with interest that I read an article in the latest issue of Hertfordshire Direct on "Summer in the Countryside" - the picture showing a walker with a dog walking across a field - and it is this article that has prompted this Email to you.

As a fairly regular walker around Watton and surrounding areas, I note that some the stiles on the footpaths have barbed wire around them. They are also not very dog friendly. I have quite often started out on a walk with the dog only to find that we have had to turn back as have been unable to get the dog under/through the stile.

On the next review of Parish footpaths would it be possible to make stiles "dog friendly". I did hear from Standon Parish Council that most of the stiles on footpaths in their area have been changed to kissing gates.

If there was no barbed wire around the stiles it would usually be possible to get a dog under some of the stiles, but obviously it is difficult because of the barbed wire and restricted access.

I am not sure how regularly footpaths in the county are checked but is there an overall body I could write to, to try and get footpaths/stiles more accessible when out walking with a dog?’

After discussion, it was agreed that Mr. Dunhill contact Lesley Crace to ask her which stiles she is referring to.

**Action: V. Dunhill**

**g) Email from Paul Newman, EHC re licensing applications**

Mr. Poulton said that Paul Newman (EHC) is notifying us by email about any applications he receives for the extension of licensing hours in the East Hertfordshire. To date, none of the public houses in Watton-at-Stone have applied for an extension.

The Clerk to copy all Parish Councillor with any emails she receives from Paul Newman that refer to Watton-at-Stone.

**Action: J. Allsop**

**10 Reports from other Organisations**

• **River Beane Restoration Association (RBRA)**

Mr. Knight reported that a meeting was held between the RBRA and Three Valleys Water to gain an update on progress with respect to resolving the low-flow problems in the River Beane.

The Environment Agency’s plan to move the Whitehall abstraction near to Hertford is shelved while more study is done on the possible effect on the River Mimram (another chalk stream with low-flow problems).

Meanwhile Three Valleys Water will investigate the possibility of reducing the abstraction at Whitehall by 50% and replacing it with up to four boreholes between Watton and Waterford. Test boreholes are planned to be in place by August 2006. Sites are to be selected and owners contacted.

• **Watton-at-Stone School Governors**

Mr. Clark said that there was nothing to report on the Watton-at-Stone School Governors meeting held on 9<sup>th</sup> June. The Annual parents meeting will be held on 7<sup>th</sup> July.

Mr. Poulton said that he was unable to exit Rectory Lane today because two school-coaches were blocking the road. This is becoming a regular problem and the main concern is that they are stopping emergency vehicles accessing the area. It was agreed that this was a very serious concern.

Mr. Smith said that when the HCC land is developed the planners need to make sure that parking facilities are available for school coaches.

Mr. Clark agreed to speak the Watton-at-Stone School Governors to resolve the problem.

**Action: C. Clark**
